Dear fellow Hamptonians!

It is my utmost pleasure to personally welcome you to Chicago and the 13th Biennial Convention, Celebrating our Legacy: 140 Years of Alumni Involvement and 150 Years of An Education for Life! Thank you for making time to travel from near and far and know that you will be rewarded with fellowship, inspiration to get more engaged as alumni and a renewed appreciation for our beloved home by the sea!

This is an exciting time for our National Hampton Alumni Association, Inc (NHAA) as we continue to grow and adapt to the changing dynamic of our alumni needs, technology and society in general. We have the opportunity to make a significant and long-lasting impact on NHAA, while remaining flexible, motivated and responsive to moving this organization Forward. This will be a team effort, which will require focus, commitment and work and we’ll discuss how we can accomplish this during our time together.

Here's what you can expect and what we hope to achieve over the next few days:

- The Biennial represents an extraordinary opportunity for all alumni to gather, to express and exchange ideas.

- You will receive the State of the University address.

- We will identify how to work together to strengthen our alma mater both individually and as a collective.

- You will also meet our incoming Board and hear about their goals and objectives for the next two years and ways to get involved.

As the incoming Board and I take our place at the helm of this fine organization, I'd like you to join me in thanking Dorothy Lee Murray and the current NHAA Board for their many incredible accomplishments and all they have done to keep the NHAA on an upward trajectory. The incoming NHAA Board and I are dedicated to keep moving the NHAA forward by focusing on communication, alumni giving, and collaboration. We should all be very proud of where we are today and excited about where we are headed.

Finally, I’d like to thank you for your presence here at this meeting. As an alum, you have the vision, knowledge, wherewithal and experience to help us pave our way into an amazing future. You are truly our greatest asset today and tomorrow, and we cannot accomplish what we do without your support, commitment and leadership. Throughout this conference, I ask you to stay fully engaged, bring your expertise to the table and keep us innovative, to shape an incredible future for NHAA, Inc. I'm confident that together, we will create something phenomenal to be proud of for years to come.

In the Hampton Spirit,

Gena M. Pemberton

Greetings Alumni and Friends:

I am tremendously honored and excited to welcome you to the 13th Biennial Convention sponsored by the National Hampton Alumni Association, NHAA, Inc. As alumni gather in the majestic and historic Chicago, Illinois from August 2-5, 2018, I ask that you pause and reflect on the convention theme, *Celebrating our Legacy: 140 Years of Alumni Involvement ~ 150 Years of an Education for Life*, which acknowledges the rich and enduring presence of the NHAA, Inc. and our beloved alma mater. The theme highlights the powerful accomplishments made possible by the ongoing active engagement and extraordinary generosity of our alumni as they continue to give, recruit students, and provide phenomenal service to the NHAA, Inc. The theme also celebrates the sesquicentennial anniversary of Hampton University. For 150 years, Hampton University has provided students from all over the world with an education for life. By working together, we have many accomplishments to celebrate!

It has been my pleasure to serve as the chair of this convention. I am so thankful for the hard work and dedication of the Biennial Steering Team. This effort has been a labor of love and we sincerely hope that you enjoy the wonderful schedule that we have planned for you. As lifelong learners, there will be workshops targeting chapter development, alumni giving, and legacy planning. There will be a choir concert under the dynamic direction of Dr. Roland Carter and Mr. Robert “Bobby” Wooten, a president’s reception that includes the swearing in of the newly elected officers, an awards luncheon, a day party, and an alumni fair. In that these events provide opportunities for networking and sharing ideas, we encourage you to build contacts with other chapters and alumni and to keep in touch after the Biennial has ended.

Please take full advantage of all that is offered during the convention as we strive to build an even stronger NHAA, Inc. Enjoy your time in Chicago—it is truly a great city with many activities from WakandaCon to Hamilton and Lollapalooza.

We deeply appreciate you - the attendees, sponsors, university staff, and vendors. Thank you for your enduring support and for making this convention possible. Let's continue to dream big dreams, as we let our lives do the singing.

Hampton Hugs,

*Lani P. Shaw*

Greetings:

I am pleased to welcome each of you to the Thirteenth Biennial Convention of the National Hampton Alumni Association, Inc. (NHAA, Inc.). The Convention promises to yield an enjoyable and invigorating event. This special weekend will provide an excellent forum to rekindle old friendships and to confer honor upon the numerous accomplishments made by the alumni and the University.

This past year has been a special year in Hampton University’s history as we celebrated the institution’s 150th Anniversary and my 40th Anniversary as its President. Throughout the year, we held various events commemorating these momentous occasions. It has truly been a blessing for me to provide 40 years of service to Hampton.

Hampton University’s successes over the past decades have been the result of the efforts of many hands, heads, and hearts, including those of our beloved alumni. The road ahead will require the commitment, faith, and support of the NHAA, Inc. With your participation, I am confident that we will reach our goals and enrich the Hampton experience.

On behalf of the entire Hampton University community, I hope you take this Convention as an opportunity to renew your pride in your University. The best way to demonstrate that renewed commitment is to devise innovative ways to increase alumni membership and the number and amounts of gifts. I look forward to your continued support.

During the Convention, please take the opportunity to share ideas and to fellowship with one another. Hampton is a special place, and its alumni are special people. Please know that your alma mater is proud of you and your accomplishments.

With all good wishes,

William R. Harvey
President
Dear Hampton University Alumni

On behalf of the administration, faculty and staff, it is my sincere pleasure to welcome you to the great city of Chicago, Illinois, and to the 13th Biennial Convention of the National Hampton Alumni Association (NHAA), Inc. This Biennial will be more than an opportunity to see old friends and meet new ones. This year's conference promises to provide the tools and motivation we all need to continue to grow Hampton’s presence nationally. You will learn about Hampton’s recent advances; participate in discussions about some of the most important issues facing institutions of higher learning; engage in an exchange of forward-thinking ideas; and, most importantly, discover what role you can play in moving these initiatives forward. I invite you to take part in all of the opportunities this convention offers and to challenge yourself to realize your next level of achievement in the Hampton story.

I am strongly committed to the mission and vision of the University and look forward to your involvement, participation and continued commitment along this journey. On 150 years of educating future leaders of tomorrow,

GO PIRATES!
Hamptonians have served in the front lines of America's conflicts since the first graduates left our "Home By The Sea" in the 1870's. Leading, protecting and defending our freedom have come at a great cost. However, that cost will never outweigh the benefit of the education we received at Hampton. The Military Alumni are committed to providing the opportunity for future warriors to enter Hampton and join the profession of arms -- the foundation of our success.

We are strong because we have learned to sacrifice even when it meant putting our lives on the line. To God be the glory for Hampton and to the men and women who have served, are serving, and finally will serve America in uniform.

As we celebrate the 150th anniversary of Hampton University, we are committed to providing scholarships to God's chosen servants that will volunteer now to make a sacrifice later for the defense of the United States of America.

O Hampton, a thought sent from Heaven above,
   To be a great soul's inspiration;
We sing thee the earnest of broad human love,
   The shrine of our heart's adoration.
Thy foundation firm and thy roof tree out spread,
   And thy sacred altar-fires burning,
The sea circling 'round thee, soft skies overhead,
   Dear Hampton, the goal of our yearning!

Refrain

O Hampton, we never can make thee a song
   Except as our lives do the singing,
In service that will thy great spirit prolong,
   And send it through centuries ringing!

Kind mother, we'll treasure the dear happy days
   We've spent here in life's preparation,
Yet go with brave hearts upon our chosen ways,
   Of service to God and our nation.
Still wearing thy colors, the blue and the white,

As pledge that our fond hearts will cherish
   A love which for thee ever shines true and bright,
   A loyalty that ne'er can perish!
