- √ One letter of recommendation from community member (club sponsor, coach, church official, alumnus from Hampton University etc.) ****both recommendations must be signed and scanned****

National Hampton Alumni Association, Inc.

National Alumni Endowed Scholarship

The National Hampton Alumni Association, Inc. National Endowed Alumni Scholarship is open to high school seniors who have been accepted and plan to attend Hampton University. The scholarship will be awarded to one incoming freshman student from each of the seven alumni regions: Far West, Middle Atlantic, Midwest, Southwest, Southeast, North Carolina and North Atlantic. This is a renewable scholarship that awards up to \$6,000 annually. The amount of the award will be determined annually, and recipients will be notified prior to returning to school for the upcoming fall. The enrollment criteria and scholarship criteria will be reviewed and re-evaluated every year.

Enrollment Criteria

1. Students must have a Grade Point Average (GPA) of 3.0 or higher.
2. Students must have submitted the Free Application for Federal Student Aid (FAFSA) to Hampton University and have followed all financial aid procedures.
3. The scholarship amount for 2023 applicants is \$6,000.

Scholarship Continuation Criteria

1. Awardees must maintain a 3.0 Cumulative Grade Point Average for the continuance of the scholarship.
2. Students must provide a minimum of **50 hours** of service to a University entity per semester. Students must provide **20 hours** in the months of Oct. Nov. Feb, March and **10 hours** in the months of December and April. The placement and hours are to be coordinated by the Hampton University Office of Alumni Affairs.
3. All scholarship recipients must be full-time with at least 12-17 credit hours.
4. This is a four-year scholarship. Initial awards will be **up to \$6,000.00** for each incoming scholarship recipient. Scholarship recipients will continue to receive their scholarship provided he/she maintains their eligibility for each of the remaining three (3) years which is also **up to \$6,000.00**. The scholarship amount will be determined by dividing the amount of funds available by the number of recipients. Recipients will receive $\frac{1}{2}$ of the scholarship for the first semester and $\frac{1}{2}$ of the scholarship for the second semester. Scholarship funds may be used for tuition, fees and books.
5. Provisional consideration for all scholars: *If an endowed scholarship recipient does not meet the original 3.0 GPA requirement, the Board reserves the right to place this student on probation for one semester, only if the cumulative GPA of 3.0 can be mathematically obtained by the following semester. If it is determined that the cumulative GPA of 3.0 is not mathematically obtainable the award will be immediately terminated. This probation option will only be allowed **once** during the entire scholarship and college enrollment period.*

6. Students who have acquired sufficient hours for graduation and need no more than six (6) semester hours to graduate at the end of their junior year may be granted a summer school stipend not to exceed ½ of the scholarship. The scholarship is terminated after the summer session.

All of the above criteria must be met, or the student forfeits the funds. It is extremely important that recipients understand that they MUST complete the service component and CANNOT fall below the required cumulative grade point average.
