

NATIONAL HAMPTON ALUMNI ASSOCIATION, INC.

Dear Fellow Hamptonians,

As your National President, I am writing to provide a final update regarding the certification of the 2026 National Election. In all matters of governance, the Board of Directors is committed to prioritizing the stability, transparency, and long-term integrity of our Association.

Election Certification and Congratulations

I am pleased to officially announce that the Board of Directors has voted to certify the election results. Please join me in congratulating the following alumni who have been duly elected to serve as our National Officers for the 2026–2028 term:

- **National President:** April Broadway
- **National First Vice President:** Jeffrey Silverthorne
- **National Vice President–Eastern Region:** Patricia A Perry
- **National Vice President–Western Region:** Karmin-Tia Greer
- **National Recording Secretary:** Cherise McAdoo
- **National Corresponding Secretary:** Pamela Bennett Askew
- **National Treasurer:** Kagame Li-A-Ping

Addressing the Process Review

The Board is aware that information regarding an election challenge has been circulating in social media. We acknowledge that the concerns raised focus on the integrity of our election processes. The election results represent the will of the alumni community. To void those results, the first request in the challenge, requires the alleged procedural concerns to rise to the level of sufficient magnitude to have potentially affected the outcome of the election. The board deliberated this point extensively and decided they did not.

We hear these concerns. We are equally committed to institutional improvement. To that end, the Board will initiate a proactive, comprehensive review of our election procedures. This initiative will ensure that our Standard Operating Procedures (SOPs) and Bylaws continue to provide a robust framework for leadership and maintain the highest level of efficiency for all members.

Our Path Forward

The election is now certified by an overwhelming vote of the Board of Directors. Our focus now returns to our primary objectives: raising money for Hampton University, recruiting the next generation of leaders, and working cooperatively with the university. I thank each of you for your engagement in this process and your dedication to our "Home by the Sea."

Let us move forward in unity, keeping our mission at the forefront of all we do.

In that Hampton Spirit,

Willie Williams, Jr.
